Heads up! We will add or modify classes based on enrollment and interest.

We also provide these programs too:

Small group classes - if you and some friends like the idea of training together we can put a program together based on your needs.

Private - one on one training in your home with your dog and your family. We have training times available. We can customize a program based on your family environment to help you be successful with your dog.

Kids and Dogs? We can help create better relationships with in home training.

Problem Dogs - If you have a specific dog behavior problem we are available to do home consultations. Not all dogs are comfortable with a classroom environment. We can build a foundation based upon your dog's needs and your requirements.

Please give us your input:

Would you be interested in attending a daytime weekday class?

Would you attend a half day seminar to learn new training techniques?

What topic would you like to learn about at a seminar about dogs?

Would you attend a seminar to learn what your dog needs to know to be "off leash" or "dog park" ready?

What other classes or dog related subjects are you interested in?

Please send your input on these questions to: dogs@totalteamworktraining.com

Or give us a call!
